1	UC1. Menu browsing with search				
2	Menu browsing is public.	✔ Passed	✔ Passed	✔ Passed	✔ Passed
3	User can see the list of all products at the same page.	✔ Passed	✔ Passed	✔ Passed	✔ Passed
4	Product information is available in a menu, is consistent: name, price, size.	✔ Passed	✔ Passed	✔ Passed	✔ Passed
5	Products that are not available have “Out of stock” label.	✔ Passed	✔ Passed	✔ Passed	✔ Passed
6	Default sorting for products: by name ASC (alphabetical order from A to Z).	✔ Passed	✔ Passed	✔ Passed	✔ Passed

7	Check that it is possible to search product by name: full-text or partial (first/middle/end initials).	✔ Passed	✔ Passed	✔ Passed	✔ Passed
8	Filtering products by:				
9	Category. Available categories are “Cold drinks”, “Desserts”, “Hot drinks”, “Pasta”, “Pizza”, “Salads”, “Soups”, “Starters”.	✘ Failed T12RFOP-192: Filtering products by category - the “Soups” are missing	✘ Failed T12RFOP-192: Filtering products by category - the “Soups” are missing	✘ Failed T12RFOP-192: Filtering products by category - the “Soups” are missing	✘ Failed T12RFOP-192: Filtering products by category - the “Soups” are missing
10	Highlight: House special, Spicy, Vegan, Vegetarian.	✔ Passed	✔ Passed	✔ Passed	✔ Passed
11	Allergy: Eggs, Gluten, Milk.	✘ Failed T12RFOP-533: Filtering products - more than 3 filters available, 1 filter missing	✘ Failed T12RFOP-533: Filtering products - more than 3 filters available, 1 filter missing	✘ Failed T12RFOP-533: Filtering products - more than 3 filters available, 1 filter missing	✘ Failed T12RFOP-533: Filtering products - more than 3 filters available, 1 filter missing
12	Multiple filters can be used at the same time and show products with these parameters as a result.	✔ Passed	✔ Passed	✔ Passed	✔ Passed
13	When using search function and entering wrong item name, “No matches found” will pop up.	✔ Passed	✔ Passed	✔ Passed	✔ Passed
14	UC2. Previewing products				
15	Product preview is public.	✔ Passed	✔ Passed	✔ Passed	✔ Passed
16	Each product has it’s own preview page and is accessible.	✔ Passed	✔ Passed	✔ Passed	✔ Passed
17	In a preview user can see the following information about a product (if info is present): picture, name, price(currency: euro), size,	✔ Passed	✔ Passed	✔ Passed	✔ Passed

	category, highlight, description, allergy information.				
18	Products that are not available have “Out of stock” label.	✔ Passed	✔ Passed	✔ Passed	✔ Passed
19	All product previews have consistent formatting: a) preview window layout, b) preview picture size, c) text font, size.	✔ Passed	✔ Passed	✔ Passed	✔ Passed
20	Available products have “+Add” button.	✔ Passed	✔ Passed	✔ Passed	✔ Passed
21	All product previews have an “X” close window button.	✔ Passed	✔ Passed	✔ Passed	✔ Passed
22	Preview window is responsive and does not collapse by using different screen sizes and browsers.	✔ Passed	✔ Passed	✔ Passed	✔ Passed
23	“+Add” button works (upon clicking, adds item to the basket) and adding product to a cart from menu and from product preview.	✔ Passed	✔ Passed	✔ Passed	✔ Passed
24	“X” button works(closes the window + returns to the menu).	✔ Passed	✔ Passed	✔ Passed	✔ Passed
25	UC3. Ordering products				
26	Adding products to the orders and viewing and changing the order				
27	Check if the same product can be added several times.	✔ Passed	✔ Passed	✔ Passed	✔ Passed
28	All added to the cart products must be	✔ Passed	✔ Passed	✔ Passed	✔ Passed

	listed in preorder view.				
29	Check if amount of added products are visible in preorder review.	✔ Passed	✔ Passed	✔ Passed	✔ Passed
30	Check if total price for every added to a cart product is visible at the order preview.	✔ Passed	✔ Passed	✔ Passed	✔ Passed
31	Check if total price of all added to a cart products are visible in preorder review.	✔ Passed	✔ Passed	✔ Passed	✔ Passed
32	Check if the order currency (euro) is displayed.	✘ Failed T12RFOP-151: Wrong currency - pounds instead of euros. Pounds still in Submitting order page and confirmation email in ver 0.0.3	✘ Failed T12RFOP-151: Wrong currency - pounds instead of euros. Pounds still in Submitting order page and confirmation email in ver 0.0.3	✘ Failed T12RFOP-151: Wrong currency - pounds instead of euros. Pounds still in Submitting order page and confirmation email in ver 0.0.3	✘ Failed T12RFOP-151: Wrong currency - pounds instead of euros. Pounds still in Submitting order page and confirmation email in ver 0.0.3
33	Check if deleting the product from the order is available.	✔ Passed	✔ Passed	✔ Passed	✔ Passed
34	Check if the “back” button returns to the menu screen.	✔ Passed	✔ Passed	✔ Passed	✔ Passed
35	Check that adding to a cart more than 20 pieces of different products is unavailable and the message "Limit exceeded! Not allowed more than 10 same items and 20 items in total per order!" appears.	✘ Failed T12RFOP-216: Submitting orders - it is possible to add more than 20 different products to the cart and order can be submitted/confirmed	✘ Failed T12RFOP-216: Submitting orders - it is possible to add more than 20 different products to the cart and order can be submitted/confirmed	✘ Failed T12RFOP-216: Submitting orders - it is possible to add more than 20 different products to the cart and order can be submitted/confirmed	✘ Failed T12RFOP-216: Submitting orders - it is possible to add more than 20 different products to the cart and order can be submitted/confirmed
36	Check that adding to a cart more than 10 pieces of one and the same product is unavailable and the message "Limit exceeded! Not allowed more than 10 same items and	✘ Failed T12RFOP-278: Submitting orders - it is possible to add more than 10 similar products to the cart and order can be submitted/confirmed	✘ Failed T12RFOP-278: Submitting orders - it is possible to add more than 10 similar products to the cart and order can be submitted/confirmed	✘ Failed T12RFOP-278: Submitting orders - it is possible to add more than 10 similar products to the cart and order can be submitted/confirmed	✘ Failed T12RFOP-278: Submitting orders - it is possible to add more than 10 similar products to the cart and order can be submitted/confirmed

	20 items in total per order!" appears.				
37	Check if products added to a cart are still in a cart after pressing „back“ button.	✔ Passed	✔ Passed	✔ Passed	✔ Passed
38	Submitting orders				
39	Check if it is possible to navigate to the Order food / Submit your order page.	✔ Passed	✔ Passed	✔ Passed	✔ Passed
40	Check if all additional info fields exists (all of them are mandatory).	✔ Passed	✔ Passed	✔ Passed	✔ Passed
41	Make sure that all additional info field are marked as mandatory or required.	✘ Failed T12RFOP-136: Submitting orders - all fields are not marked as required	✘ Failed T12RFOP-136: Submitting orders - all fields are not marked as required	✘ Failed T12RFOP-136: Submitting orders - all fields are not marked as required	✘ Failed T12RFOP-136: Submitting orders - all fields are not marked as required
42	Does „Submit order“ button exist and displays order confirmation page if cart has products in it and all fields are filled with appropriate info.	✘ Failed T12RFOP-528: Submitting orders - “Submit order” button has a wrong title	✘ Failed T12RFOP-528: Submitting orders - “Submit order” button has a wrong title	✘ Failed T12RFOP-528: Submitting orders - “Submit order” button has a wrong title	✘ Failed T12RFOP-528: Submitting orders - “Submit order” button has a wrong title
43	Make sure all info fields which are marked in app as required work if normal format info inserted (required fields filled+submit).	✔ Passed	✔ Passed	✔ Passed	✔ Passed
44	<p>Check that it is impossible to submit order if one info field is left empty.</p> <p>Mandatory fields:</p> <ul style="list-style-type: none"> • Table number • Information about possible allergies • Name of the customer 	✘ Failed T12RFOP-534: Submitting orders - it is possible to submit order when some mandatory fields are left empty	✘ Failed T12RFOP-534: Submitting orders - it is possible to submit order when some mandatory fields are left empty	✘ Failed T12RFOP-534: Submitting orders - it is possible to submit order when some mandatory fields are left empty	✘ Failed T12RFOP-534: Submitting orders - it is possible to submit order when some mandatory fields are left empty
